

## FLIEGL screw Conveyor Dispenser Garant

Producător:: FLIEGL

- Working widths from 6 m to 24 m.
- Liquid manure screw dispenser (stainless steel auger and lower trough, galvanized face plate, with externally mounted oil motor, storage box and flow regulation valve with 2 way control block and time relay).
- Oil motor for screw dispenser, with interim storage for less wear and longer service life.
- Proved 1000 times over
- A transport securing system for ensuring safe road transport, with hydraulic locking and unlocking and a storage box for foreign bodies - mechanical or hydraulic emptying are standard.
- Weight optimized (torsionally stiff - in a welded construction)
- Direct application of the liquid manure via hoses to the soil
- Automatic folding-up of the hoses (via cable pull - hydraulic optional)
- Anti-drop system
- Low energy requirement
- Low wear and tear
- Sprung row spacer
